

# SPRING RHYTHMS

Name \_\_\_\_\_

Class \_\_\_\_\_

Use the flower spinner to land on a note. Draw the notes you land on in the boxes below. Then, think of a spring word that has the same rhythm. If you land on a rest, just draw the rest and do not write a word. Three examples have been done for you. If you need help thinking of a word, use the word bank.

## WORD BANK

birds	garden	puddles
rainy	kitten	flowers
tulip	puppy	fruit
nest	grass	sun
bloom	warm	play
green	ants	river
blue	April	bee
